## **Grand Knights Report, by Gary Lamielle, Grand Knight**

Well we have turned the corner and the nice weather has arrived. We have so many things going on here at the K of C please read this web page and come out and enjoy all the activities going on at your club. We will be holding elections for officers for the new fraternal year . I ask all knights to please attend our meetings become involved in your council. we truly need some fresh ideas.

I was thinking the other day what it means to be a **Knight**. We are asked to be faith filled men in service to our church and fellow man. I believe that is what separates us from other organizations. As Catholic gentlemen, we are asked to live our faith what better way than becoming active in the **Knights**. Helping others is one GODS commands that is what the **Knights** do we help our brother **Knights** but also the community at large We have all had times in our lives when someone has reached out to us in a time of need. it may be nothing more than a kind word or maybe a helping hand but at that moment it meant so very much that is the mission of the **Knights of Columbus... in service to one in service to all.** That being said we are still looking for new members to join us to do the work of the **Knights**. i ask you please ask your friends and family members to consider becoming a Knight of Columbus. We all see people at church who we speak to and think what nice people they are why not ask them to join us. It cost us nothing and the fruits of that may make a life long friend and a new Knight.

In closing I would like to leave you with a quote from St Teresa of Calcutta.. "I know God won't give me anything I can't handle. I just wish he didn't trust me so much." Please be safe be kind to each other. I wish you paix (that is French for peace) Please pray the Rosary and Kyrie Eleison on this Troubled World.
